The homestead exemption available through your local appraisal district helps you reduce a portion of the property taxes assessed against your home. Best of all there is NO cost to you!

The qualifications are as follows:

1. You must have owned and occupied the property as of January 1st of the year the exemption will first be applied.
2. The application must be on record by May 1st for the year applied, so please file between January 1 and April 30th.

You should receive a Homestead Exemption application automatically by February 15th or you can go to the county web site and apply online.
